Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the

Examiner the documents listed on the attached PTO-1449.

A copy of each listed document is attached. Applicants respectfully request that the

Examiner consider the listed documents and evidence that consideration by making appropriate

notations on the attached form.

An International Search Report citing the listed documents and setting forth the relevance

thereof is attached for the Examiner's information. Please note that AU 3574001 is an English

language equivalent of French language publication 28050466 A.

This submission does not represent that a search has been made or that no better art exists

and does not constitute an admission that the listed documents are material or constitute "prior

art." If it should be determined that the listed documents do constitute "prior art" under United

States law, Applicants reserve the right to present to the Office the relevant facts and law

regarding the appropriate status of such documents. Applicants further reserve the right to take
